SENATORSHIP FIGHT RESUMED

LEADERS RETURN TO ALBANY AFTER A DAY'S REST.

The General Opinion is That the Deadlock May Be Broken Not Later Than Thursday - Insurgents Reminded That They Are Indebted to the Caucus

ALBANY, Jan. 29. Gov. Dix motored an from Thomson this afternoon t.-Gov. Conway, Charles F. Murphy William F. Sheehan, Thomas Mott Ossome and Senator Franklin D. Roosevelt came to town at about the same time is evening and the discussions over a United States Senator to succeed Mr. benew were informally resumed preparatory to the tenth joint ballot to be aken at noon to-morrow. Senator Roosevelt had taken a quick trip to Brewster.

I have had no conferences in New York or elsewhere," said Mr. Murphy. I had a good day's rest at Good Ground. There is no change whatever in the situa-

Senator Roosevelt said his visit to Browster was for the purpose of attending a reception at the Democratic Club which had been arranged for in December last Mr. Roosevelt said that while at the reception there had been an informal talk of the United States Senatorship and that among the 150 Democrats at the reception | BEACHY some had favored his present attitude. while others had opposed it. There seems to be a general opinion that the present deadlock here may be ended not later than Thursday. There is no evidence however, to warrant this opinion, for you are told that it is merely opinion and nothing

To-night the Democratic leaders reattention of Mr. Roosevelt and his fol- and their daughter. A Profitable Kind of Bank Deposit

Profitable, safe and convenient for the depositor are the time Certificates of Deposit which we issue in any amount over \$500. They produce a better rate of interest than accounts subject to cheque, and can be made to mature at any convenient future date.

If you have money awaiting permanent investment, or are accumulating a fund for building or some other special purpose, then you will do well to convert such moneys into these time Certificates of Deposit. Our strength of Directorate, banking experience, conservatism and large resources combine to make these certificates a safe and desirable form of temporary investment.
